Page 25

Risk level:	None	Low	Medium	High
I am:	Mitigating	Accepting	Avoiding	

11. In my own words, what are my goals coming out of this training?

Page 28

My Safety Plan

12. My top three threats (be specific: stalking, doxxing, a disgruntled student, deplatforming, etc.)

Page 29/30

1.

2.

3.

13. My trusted people (know both my scene name and real name; know who to call)

Page 29/30

1.

2.

3.

14. Where will I store my important documentation if things go wrong? (Not in the cloud.)

Page 29/30

15. When will I block and document?

Page 29/30

16. When will I report to the platform?

Page 29/30

17. When will I involve law enforcement or another community agency?

Page 29/30

18. When will I contact an attorney?

Page 29/30

19. What is my backup communication plan if I lose access to my primary accounts?

Page 29/30

My Infosexurity Month

20. Week 1: Audit and assess. What did I find when I searched for myself online? What are my biggest risks?

Page 30

21. Week 2: Lock down my identity. What am I going to do?

Page 30

22. Week 3: Lock down operational concerns. Password manager, encrypted comms, settings?

Page 30

23. Week 4: Build my safety systems. Safety plan, breach response plan, attorney?

Page 30
